

## Services

AUSTGROUP INSURANCE BROKERS can offer the following risk services solutions for all of your Insurance requirements.

We specialise in all aspects of risk analysis and ensure we place the policy with an Insurer that will best suit your individual needs. We also ensure that your claim is handled as efficiently and quickly as possible saving you valuable time and money.

At Austgroup Insurance Brokers we understand how much hard work and time you've spent building your business or career and how important it is for you to protect this valuable investment.

It is a fact of life that accidents can happen and it is vital that you are fully protected.

Some of the Insurance Products we can offer for your protection include:-

- \* Business Pack
- \* Public & Products Liability
- \* Business Interruption
- \* Professional Indemnity
- \* Workers Compensation
- \* Construction
- \* Marine Cargo
- \* Corporate Travel
- \* Motor Vehicle
- \* Householders

Austgroup Insurance Brokers also have the added bonus of a small, personalised team and you can rest assured that we will always act in the best interests of you and your clients. We also believe in dealing with both integrity and honesty.
